 - (4) Other information considered necessary by our Facility.
2. In the case that the Guest has requested, during his/her stay, an extension of an overnight stay beyond the date described in the preceding Paragraph (2) above, our Facility shall handle his/her request as a new application for an Accommodation Contract which has been made at the point in time when the said request has been made.

Article 3. Conclusion, etc. of the Accommodation Contract

1. The Accommodation Contract shall be considered to have been concluded at the time when our Facility has accepted the application described in the preceding Article, unless our Facility has certified that our Facility has not accepted the said application.

2. When the Accommodation Contract has been concluded under the provision of the preceding paragraph, the Application Money payable for the period scheduled for overnight stay as prescribed by our Facility shall be paid by the date set by us, up to the maximum amount equal to the basic accommodation charge.
3. The Application Money shall first be applied to the final payment of the Accommodation Charge payable, and when the circumstances requiring application of the provisions of Article 7 and Article 19 have arisen, to penalty and then to compensation money in this order.
